

ATI EVENTS

January 15, 1998

Happy birthday to these individuals who will be celebrating (or already have celebrated) their birthdays in January:

Kathleen Eby	1/2
Tom Wilfong	1/2
Pat Stull	1/12
Karen Myers	1/13
Dan Voltz	1/22
Diane Snyder	1/23
Jan Elliott	1/26
Ella Copeland	1/30

NEWS FROM THE DIRECTOR:

My thanks to Gloria Wirt and Tonia Arnold who will team up to put together the next couple of issues of *ATI Events*. Thanks also to Gloria, Arlene, Jan, Pat, Bev, Jill, Diane, Sheila and others who have been helping me with projects since Margaret's retirement. Hopefully, we will be able to fill her vacated position in early February!

A workshop on Distance Education will be telecast either to the broadcast classroom or the Helen Enlow Conference Room at Fisher Auditorium January 15 from 2 to 3:30 p.m. Several faculty have expressed an interest in attending. There's probably room for a couple more attendees, if anyone is interested.

Our Key Advisory Committee is changing. Three members' terms have expired: Tom Bonnell (Landscape), Mary Ann Rozum (At large), and Andy Cavinee (At large -- ATI Alumni Society). Four new members have accepted membership: Ken Smith (At large -- ATI Alumni Society), Doug Dawson (Swine), Arden Shisler (At large), and Robert Slingluff (Landscape). New members are being sought to represent ATI's Nursery Management, Beef/Sheep, and Business Management programs. The next Key Advisory Committee meeting is scheduled for February 24. Technology Coordinators and other faculty are encouraged to stop by Continuing Education around 9:00 a.m. to say "hello" to Committee members while they are arriving.

Congratulations to Jim Carr, who has been asked to serve and has accepted a position as a Trustee for the Home Builders Institute. Jim is the only Trustee representing an educational institution.

NEWS FROM ACADEMIC AFFAIRS:

There was a significant increase in the number of students with less than 2.0 pt-hr ratios.

	<u>AU 97</u>	<u>AU 96</u>
Academic Warning	136	102
Special Action Probation	25	2
Academic Probation	57	60
Academic Dismissal	<u>11</u>	<u>8</u>
	229/995 (24.8%)	172/827 (20.8%)

NEWS FROM ADMISSIONS:

Fall Travel Stats: 3,753 students were contacted in person during our fall recruitment travels. Including college fairs and high school visits, we made a total of 278 "stops." Also helping with our fall travel were the following people: Bill Anderson, Ella Copeland, Mark Headings, Kim Sayers, and Michelle Wood.

Statewide Advertising: According to the new student survey, 51% of our students have been FFA members. Therefore, this spring we designed (thanks to Michelle) and placed the attached advertisement which will run as a center spread in the Ohio FFA News just prior to the state FFA convention. We invited the College of FAES to co-sponsor the ad with us.

Numbers: We have 186 applications in the door so far for Autumn 1998, which is one more than last year at this time. (We may not be up much this week, but we're the only Ohio State campus up at all right now!) On the other hand, 48% more have paid their acceptance fees already.

NEWS FROM INSTITUTIONAL SERVICES:

Training Schedule: Starting in February new employee safety training will be held the 1st Wednesday of each month at 9 a.m., room 206 in the Old Administration Building.

During the summer months, April through June, the training will be held weekly as required for newly hired summer employees. New employee training is an OSHA requirement.

Respiratory Protection training and fit testing is held quarterly. The 1st class will be held January 28th, 1 p.m., room 206, Old Administration Building.

Fire extinguisher training is held quarterly. The 1st class is scheduled for February 17th, 1 p.m., Fisher Auditorium Conference room. Training will be conducted by Wooster Welding Company. Fire extinguisher training is an annual requirement for all employees.

For any further information, please contact Stan Kinney at the OARDC.

Test Drive ...

Make sure the road to your future includes a TEST DRIVE of the College of Food, Agricultural, and Environmental Sciences at The Ohio State University in Columbus.

Put yourself in the driver's seat as you
Experience College for a Day!

During your customized day-long road trip you will:

- **Join** a navigator from your major
- **Attend** classes
- **Tour** campus
- **Dine** in the commons
- **Visit** residence halls
- **Meet** individually with a faculty member
- **Talk** with a College administrator about admission criteria, financial aid and scholarship opportunities

Bring your parents along for the ride!

Test drives are offered weekdays Spring quarter April 6 through May 29 (except May 25). The day begins at approximately 8:30 a.m. and ends no later than 4:00 p.m.

For details or to schedule your **TEST DRIVE ...**

Contact Thad Welch directly at (614) 688-4144 or email CoFAES@osu.edu. Additional details and registration information is also available at our web site: <http://www.hcs.ohio-state.edu/faes/feast/cefd.html>
